

FAQs:

How long can I borrow a Kindle book?

Kindle library books are available for the same lending period as all of our ebooks, either 7 or 14 days.

Can I return a Kindle Book early?

Kindle books are returned through the Amazon website. Sign into your account, click “Manage Your Kindle” (You will need to be signed into your Amazon account.). On the “Your Kindle Library” page, select the “Actions” dropdown menu next to the book you want to return. From the menu, select “Return this book” and “Yes” to confirm.

Once returned, the book will continue to show in your Kindle Library list until you select “Delete from library” from the Actions menu.

Can I make notes and highlight on my Kindle, even though it is a library ebook?

Yes you can! Amazon’s technology will let you highlight and annotate as normal, and the next reader will never see it. In fact, all of your notes will be stored if you check the same title our again, or purchase it from Amazon at a later date.

I do not have wifi on my Kindle. Can I still check out a library ebook?

If you do not have wireless access for your Kindle, you can use the USB cable to transfer the title to your device. Wireless downloading will not be available through 3G.
