

Educator's Reference Center Complete

Scope: Collection of more than 1,100 periodicals and 200 reports for educators from school teachers, administrators, or those studying in the field at the collegiate and graduate level. This database covers multiple levels of education from preschool to college, and every educational specialty -- such as technology, bilingual education, health education, and testing. Educator's Reference Complete also focuses on issues in administration, funding and policy.

How to Access:

- Click on the word "Chicopee CLIC" on the Chicopee Public Library homepage (www.chicopeepubliclibrary.org)
- Click on the label "Reference".
