

## NoveList

**Scope:** A database of fiction that provides reviews, summaries and keyword searching for more than 135,000 fiction titles. You can search for author read-a-likes (books similar to other books you like), Book Discussion Guides or Annotated Books lists (book lists by subject, genre, and topic) and more.

### How to Access:

- Click on the word “Chicopee CLIC” on the Chicopee Public Library homepage ([www.chicopeepubliclibrary.org](http://www.chicopeepubliclibrary.org))
- Click on the label “Literature”.
- Click on “NoveList”.
- Log on using the CLIC username and password or your library card number. (Check the “Homework Helper” bookmark, or see the librarian, if you forget the username and password).

### How to Search?

**Search:** You can do a quick search using author, title, series, or keyword and limit by Adults, Teens, Older Kids, and Younger Kids.

The screenshot shows the NoveList search interface. At the top left is the NoveList logo with the tagline "Your Guide to Fiction" and "powered by EBSCOhost". To the right are links for "Sign In", "Folder", "Preferences", "Help", and "Exit", along with a "Send Feedback" link. Below the header, there are links for "Home" and "Advanced Search", and the text "CHICOPEE PUBLIC LIBRARY". The main search area has a yellow background with a "Search" label and links for "Search History/Alerts" and "Search Other Databases". A "Find:" label is followed by a search input field, a "Search" button, a "Clear" button, and a help icon. Below the search field is a "Limit To" section with checkboxes for "Adults", "Teens", "Older Kids", and "Younger Kids".

**Advanced Search:** Search for multiple keywords in different fields such as author, subject, or publication date. Options allow you to include (or exclude) different results such as books, biographies, read-a-likes, or recommended reads.

You can **browse** by author, title, subject, or by Dewey call numbers.

**Limit** your results by reading level, grade level, number of pages, author information and much more.
